GEORGE, R. & I.

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all to whom these presents shall come. Greeting :

Whereas, by Warrants under His late Majesty's Royal Sign Manual, dated the Eighth day of August in the year of our Lord one thousand nine hundred and two and the second year of His Reign, the twenty-ninth day of November in the year of our Lord one thousand nine hundred and six and the sixth year of His Reign, the twenty-seventh day of May, one thousand nine hundred and eight, and the eighth year of His Reign, and the seventeenth day of June one thousand nine hundred and nine in the ninth year of His Reign, His late Majesty, being desirous of recognising more fully than had theretofore been possible the faithful and meritorious services rendered to Him by Members of the Civil Services of the various parts of His Empire, did, for Himself, His Heirs and Successors institute and create a new Civil Order of Distinction—to be designated the Imperial Service Order—and He was graciously pleased to Make, Ordain, and Establish Rules and Ordinances for the government of the same :

And whereas We are minded to make certain amendments and additions to the Statutes of the Order :

Now, therefore, in pursuance and in the exercise of the power vested in Us by the aforesaid Statutes, and in order to enable Us to carry this Our Will and Pleasure into effect, We do hereby abrogate the aforesaid Statutes of the eighth day of August one thousand nine hundred and two, the twenty ninth day of November one thousand nine hundred and six, the twenty-seventh day of May one thousand nine hundred and eight and the seventeenth day of June one thousand nine hundred and nine and the same are abrogated accordingly, but without prejudice to any thing done thereunder; and in lieu thereof, We do by these Presents Make, Ordain, and Establish the following Statutes and Ordinances :

Firstly.—It is ordained that this Order shall henceforth be styled and designated "The Imperial Service Order."

Secondly.—It is ordained that the Order shall consist of the Sovereign, the Prince of Wales, and such Companions as We, Our Heirs, or Successors shall appoint.

Fifthly.—It is ordained that the number of Companions of the Order shall not exceed seven hundred of whom two hundred and fifty shall belong to Our Home Civil Service, two hundred to Our Civil Services in India, including the Staff of Our Secretary of State for India (one hundred appointments being reserved for Europeans and one hundred for natives of India), and two hundred and fifty to the Civil Services of Our Dominions beyond the Seas, and Countries under Our Protection, including the Staff of the Crown Agents for the Colonies.

Sixthly.—It is ordained that no person shall be eligible to be a Companion of the Order, whose name has not been laid before Us, Our Heirs or Successors, by one of Our or Their Principal Secretaries of State, and who has not at the time of his or her nomination rendered at least twenty-five years' meritorious service in Our said Civil Services: Provided that in the Indian Empire the minimum period of service in the case of Europeans shall be twenty years, and that in any part of Our Dominions beyond the Seas, or any Country under Our Protection, which under the Pension Acts or Regulations applying thereto, is recognised as unhealthy, the minimum of service shall be sixteen years: Provided also that it shall be competent to Us, Our Heirs or Successors to appoint specially to the Order persons, who, not having completed the aforesaid periods of service, have rendered such eminently meritorious service as to qualify them, in Our opinion, to become recipients of this distinction.

N.B.—Should the number of candidates who have applied to be examined at any one of the above centres fall short of *thirty*, the candidates that selected that centre must be prepared to proceed, at their own expense, to the nearest centre where the examination may be held. Timely notice will be given to the candidates concerned.

3. No notice will be taken of the application of any candidate who selects a centre which is not in the above list, and no candidate will be allowed to name more than one centre. No candidate will on any account be allowed to change the place of examination entered in his application, which must invariably be the place where he is employed or ordinarily resides, or should it not be a centre, the place nearest to it where the examination is held. A candidate appearing for examination at a centre other than the one mentioned by him in his application must be prepared to have his examination annulled.

4. In addition to the above centres, the Commissioner will be prepared to arrange for the holding of the *Written* examination in any of the subjects mentioned, at any other place, if he is satisfied that not fewer than *thirty* candidates are likely to offer themselves for examination, and it is advisable to make such place a centre. Application for the inclusion of such place or places in the list of centres should be made to the Commissioner through the local educational or other authorities concerned before the 22nd August. Ordinarily, however, only one place will be constituted a centre for each district.

5. The oral and practical examinations in such subjects as require them will be held at those places only where satisfactory arrangements can be made for the conduct of such examinations.

N.B.—*To guard against disappointment in the case of such of the Oral and Practical examinations as may be held before the written examination, candidates are recommended to refer to Part I-B of the* Fort St. George Gazette, *from time to time.*

6. Candidates whose examinations, either written or oral and practical, cannot be arranged for at any place must, *at their own expense*, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear.

7. Heads of institutions are requested to see, before the certificate at the foot of the application is signed by them, that their institution has been recognised by competent authority, as fitted to impart instruction in the *Technical* subjects and for the grades in them brought up by their *pupils*.

N.B.—Heads of institutions recognised for *General Education only* should not sign the certificate at the foot of the application form filled in by any of their pupils coming up for any of the Technical Examinations.

8. All pupils coming up from the same institution must select the same centre, and the applications of all of them should be forwarded together (along with a *covering* letter stating the number of applications) by the head of that institution, no applications of any *private* candidates being enclosed with these applications.

9. Each candidate must, wherever the syllabus requires, it, submit, before the 31st August, the necessary drawings, plans, surveys, field books, estimates, or other "certified works". Each of the drawings, etc., submitted must have entered on it the name of the candidate, the subject and grade of examination for which he appears and the centre at which he appears, and must be certified to be his own unaided work by the head of the institution or office to which he belongs, by an officer of the

Public Works Department not below the rank of Sepervisor, by a District Board Engineer, by the Engineer of the Corporation of Madras, or by an Engineer of any Railway Company.

Candidates are specially warned that no certified works will be valued by examiners unless the certificate of authorship is quite satisfactory, and specifies clearly the period of time occupied in the execution of each work and unless the examiners are satisfied as to the identity and qualifications of the persons granting the certificates. Further, if any suspicion attaches to any certified works submitted by pupils from Technical Schools, the Commissioner will be compelled to recommend to the authority concerned the withdrawal of the departmental privileges enjoyed by the schools. Private candidates, whose certified works are in any way suspected by the examiners, will be liable to have their examination invalidated and also to be debarred from appearing for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit.

It must be particularly noted that the drawings, etc., of each candidate should be submitted in a separate roll for each subject and for each grade (i.e., the drawings, etc., for a number of subjects should not be rolled up together), and that the drawings, etc., of a number of candidates should not be sent in one and the same roll. Also, on the outside of each roll for each subject, each candidate should enter the following particulars in ink :—

(1) Name of candidate.
(2) Place of examination.
(3) Subject.
(4) Grade, and
(5) Total number of drawings in each roll.

As the application has to be kept in the office and as the drawings, etc., have to be forwarded to the examiners, the application itself should be sent in a *separate* cover and *not rolled up* with the drawings, etc.

A candidate who failed, or having applied, did not appear, at a previous examination, must submit fresh drawings, etc. The drawings, etc., submitted will on no account be returned.

10. Candidates must send in their applications made out in English on *printed forms to that they reach the Commissioner's office on or before the 31st August, after which date no applications will be received.* Only one form of application should be used by each candidate, although he may bring up several subjects and come up for different grades.

11. Candidates in the mofussil should obtain the required application forms from the treasury of the taluk in which they are resident or of the district to which they belong. Candidates who are residents of Madras should apply for application forms at the office of the Commissioner for Government Examinations, Old College, Nungambakkam, and not to the Collector of Madras.

N.B.—No notice will be taken of any application from candidates in the mofussil requesting to be supplied with application forms from this office.

12. The following is the scale of fees to be paid by candidates for admission to the examinations :—

	Elementary	Intermediate.	Advanced.
	Rs.	Rs.	Rs.
For each subject	3	5	10

N.B.—No candidate will be permitted to come up for examination in more than one grade in the same subject at the same time.

13. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Bank of Madras, and the receipt given by the Treasury Officer or the Bank of Madras, attached to the application, which must in every case reach the Commissioner's office on or before the 31st August. *On no account will the fee be received in the Commissioner's office, whether sent in cash or by Post Office orders. No application will be registered unless it reaches the Commissioner's office by the date prescribed.*

NOTE.—*At Madras, in the case of all pupils, the fees should be collected by the Headmaster and sent in a lump sum to the Bank of Madras together with two lists of the pupils, one of which will be examined by the Bank and the other signed and returned to the Headmaster. This latter list should be forwarded to this office along with the applications of the candidates. The necessary forms for this purpose will be supplied by this office to Headmasters on application.*

14. Each application should be sent direct to the undersigned, post paid, superscribed and addressed as follows, the receipt for the fee paid being securely fastened to it

☞ Candidates are warned that the application itself *should not be enclosed* with any drawings, plans, surveys, field books, minutes, or other "certified works" that may be sent, but should be submitted in a separate cover.

[*Application for admission to the Government Technical Examinations.*]

To

The Secretary to the Commissioner
for Government Examinations,
Nungambakkam, Madras, S.W.

N.B.—Candidates anxious to assure themselves that their applications have been 'received should' enclose an *addressed post card to their respective applications*. The post card should bear the sender's address only and no other writing. Such post cards will be returned to them in due course with the "Received" stamp of the office impressed upon them. No other form of acknowledgment except that required by the postal rules regarding registered covers can possibly be given nor will any notice be taken of any letter from any candidate inquiring whether his application has been received. *Insufficiently stamped covers will be rejected.*

15. Candidates should write their names, their father's names and their house names distinctly and in *full* in their applications and give their *addresses in full* also; if "Other Hindus", they should state in column 8 of their applications whether they are "Non-Brahman Caste Hindus" or "Panchamas". Applications which are irregular or defective in any particular will not be taken notice of.

NOTE.—The occupation or profession of candidates, or the appointments held by them should invariably be stated—in full—in column 10 of their applications.

16. *The fee paid will, in no case whatsoever, be refunded, nor will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be returned. Candidates are warned to study the notification carefully and satisfy themselves, before remitting their fees, that they fulfil the prescribed conditions of admission to the examinations and that they can, if necessary, proceed, at their own expense, beyond the limits of the examination centre selected by them, for the purpose of undergoing the Written, or the Oral and Practical examinations.*

17. Candidates for the Intermediate or Advanced examinations whose names have already been published in the Gazette as having passed a particular stage or stages in subjects in which the examination is divided into stages, or as having passed the Intermediate (late Preliminary) where the examination is of two grades—Intermediate and Advanced—must, in their applications give the date and page of the Gazette in which their names appear and their number in the list of successful candidates.

18. The examinations in the subjects under "Drawing, etc.", will be conducted in the order of time and subjects set forth in the following table. *Candidates will not be allowed to come up in more than one of the subjects bracketed together for the same time on the same day in the table below, or for more than one grade of examination in the same subject in the same year.*:—

SUPPLEMENT TO PART II

OF

THE FORT ST. GEORGE GAZETTE.

No. 35.] MADRAS, TUESDAY EVENING, AUGUST 27, 1912. [Price, 6 pies.

AUDIT ORDER BY M.R.Rv. DIWAN BAHADUR L. D. SWAMIKANNU PILLAI AVARGAL, B.A., B.L., LL.B, REGISTRAR OF CO-OPERATIVE CREDIT SOCIETIES, MADRAS.

The accounts of the Madras Central Urban Bank, Limited, for the year ending 30th June 1912 have been audited in detail by the Special Deputy Collector, M.R.Ry. P. Minakshisundaram Pillai Avargal B.A. The usual three statements (1) Receipts and Disbursements, (2) Profit and Loss for the year and (3) Balance sheet on 30th June 1912 have been furnished by him.

2 During the year under review, the Bank earned a net profit of Rs. 42,537-10-9. Under by-law No. 17 of the Bank, one fourth of the net profits, viz., Rs 13,634-8-8 should be carried to the credit of the reserve fund The Bank is requested to invest this sum in the Bank of Madras, Madras. With this amount, the total reserve of the Bank is Rs. 40,654-6-8. One-eighth of the net profits, viz., Rs. 5,317-3-4 should be paid to the Secretary or Assistant Secretary as the Board of Management might direct. The remaining sum of Rs. 26,586 0-8 is available for distribution as dividend bonus or otherwise as the Bank may decide

3. The Registrar is glad to be able to congratulate the Management upon another year of continued phenomenal success. The total assets of the Bank on the last day of the year 1911-12 were Rs 22 36 lakhs against Rs. 14·78 lakhs on the last day of 1910-11. On the side of liabilities, deposits by members rose from Rs. 7·18 lakhs on the 30th June 1911 to Rs. 10-59 lakhs on 30th June 1912 and deposits by non-members from Rs. 4·26 lakhs to Rs 5·51 lakhs. Under net profit there was a like increase of 56 per cent, *viz.*, from Rs. 28,787 to Rs. 42,537. The amount of loans to societies during the year rose from Rs 8·17 lakhs to Rs 8·73 lakhs and the number of loans from 381 to 432. The total amount due from societies to the Madras Central Bank at the end of the years 1910-11 and 1911-12 was respectively Rs. 14·14 lakhs, and Rs 20 39 lakhs. The slightly increased proportion of profit to outstanding loans (from 2·03 per cent. to 2 05 per cent.) was presumably due to the Bank having opened current accounts during the year 1911-12

4 On 23rd December 1911 there was a change of Secretaryship owing to the resignation of Sir V. C Desikachariar who had been Secretary to the Bank since its foundation and whose invaluable services to the cause of co-operation in this Presidency deserves to be placed once more on record. The present Secretary M.R.Ry. V. C. Rangaswami Aiyangar Avargal, B.A., has been imparting to his efforts to keep up the high standard of efficiency established during the tenure of office of his predecessor.

5 The Registrar is glad to note that his suggestion as to increase of establishment have been given effect to by the Management

6 The internal audit of the Bank's accounts was carried out by one of the Directors but it is desirable that the work should be entrusted to some person unconnected with the Directorate. The only other point that the Registrar would like to note is that the Central Bank makes at present no definite allocation for the inspection of its client societies beyond the abatement of ¼ of the interest allowed to Unions for supervising and inspecting their affiliated societies. Every Bank, by universal custom, sets apart some portion of its income for inspection and it is time in the opinion of the Registrar that the Central Urban Bank did so.

The accounts have again been very carefully audited by M.R.Ry P. Minakshisundaram Pillai Avargal, B.A., Special Deputy Collector for Co-operative societies and the Registrar is glad to note that thanks to the adoption by the Management of many of the recommendations made by him last year, the list of audit objections has been materially reduced.

No. 38.—The Governor General has been pleased, under Rule 23 of the Rules for the conduct of the Legislative Business of the Council of the Governor-General, to order the publication in the *Gazette of India* in English of the following Bills, together with the Statements of Objects and Reasons relating thereto, and the Bills and the Statements of Objects and Reasons are accordingly hereby published for general information.

A Bill further to amend the Presidency Small Cause Courts Act, 1882.

WHEREAS it is expedient further to amend the Presidency Small Cause Courts Act, 1882; It is XV of 1882. hereby enacted as follows:—

Short title. 1. This Act may be called the Presidency Small Cause Courts (Amendment) Act, 1912.

Amendment of section 41, Act XV, 1882. 2. In section 41 of the Presidency Small Cause Courts Act, 1882, for the word "one" the word "two" shall be substituted. XV of 1882.

STATEMENT OF OBJECTS AND REASONS.

THE jurisdiction of the Presidency Small Cause Courts in dealing with applications under section 41 of the Presidency Small Cause Courts Act, 1882, is limited to cases in which the annual value of a rack-rent does not exceed Rs 1,000 In view of the marked increase in the annual value of house property in Presidency towns of recent years, it is considered desirable to raise this limit and empower Small Cause Courts to take action under this section in all cases in which the annual rent does not exceed Rs. 2,000. The High Courts concerned approve of the proposed amendment.

THE Local Authorities (Emergency) Loans Act, 1897 (XII of 1897), enables local authorities to borrow money for certain purposes with the sanction of the Governor General in Council. The Government of India consider the power of sanctioning such loans may safely be delegated to Local Governments. This proposal was made by the Decentralization Commission. The object of this Bill is to effect the delegation proposed by an amendment of section 2, sub-section (1), of the Act. It is also proposed to amend section 3 so as to enable the Government of India to issue general or special orders subject to which Local Governments may sanction the borrowing of money under section 2, sub-section (1), without previous reference to the Government of India.

The amendment of section 4 is purely a consequential amendment.

WHEREAS it is expedient to amend the Indian Extradition Act, 1903; It is hereby enacted as X follows:—

Short title. 1. This Act may be called the Indian Extradition (Amendment) Act, 1912.

Amendment of section 7, Act XV, 1903. 2. STATEMENT OF OBJECTS AND REASONS.

Under section 7 of the Indian Extradition Act, 1903 (Act XV of 1903), a District Magistrate is empowered to receive and execute warrants issued by Political Agents in certain cases. In order to remove these doubts and to make definite provision for such cases, it is proposed to empower the Chief Presidency Magistrate to execute warrants in Presidency-towns.

A Bill further to amend the Indian Divorce Act.

WHEREAS it is expedient further to amend the Indian Divorce Act; It is hereby enacted as follows:— IV of 1869.

Short title. 1. This Act may be called the Indian Divorce (Amendment) Act, 1912.

Addition to section 7, Act IV of 1869. 2. To section 7 of the Indian Divorce Act the following proviso shall be added, namely:—

"Provided that nothing in this section shall deprive the said Courts of jurisdiction in a case where the parties to a marriage professed the Christian religion at the time of the occurrence of the facts on which the claim to relief is founded."

STATEMENT OF OBJECTS AND REASONS.

THE South Indian Missionary Association submitted a memorial praying that the provisions of the Indian Divorce Act, 1869 (IV of 1869), might be declared to be applicable to the marriages of Christian converts solemnized by Non-Christian rites before their conversion, provided that the causes for divorce had arisen subsequent to conversion. The object of this memorial was to avoid the decision of the Madras High Court in Thapita Peter *v.* Thapita Lakshmi, I.L.R., 17 Madras, 235 which, relying on section 7 of the Act, held that the marriages contemplated by it were those founded on the Christian principle of a union of one man with one woman to the exclusion of all others, and consequently that it did not apply to Hindu or Non-Monogamous marriages. The Calcutta High Court, however, in Gobardhan Das *v.* Jesudasmoni Dasi, I.L.R., 18 Calcutta, 262 affirmed the contrary view in a precisely similar case, and granted the desired relief on the ground that a person professing Christianity at the time of presenting his petition was entitled to relief under the Act. In view of the conflict between the two decisions, it is thought desirable that the law on the point should be made clear, and it is accordingly proposed to amend section 7 of the Act so as to make it applicable to Christian converts, provided that both parties are Christians at the time of the occurrence of the facts on which the claim to relief is founded.

The 28th March 1912.
